# Marketing Information

## Autofill Brake Bleeder

### Selling Tips

1. Q: Will it suit all master cylinder reservoirs?

A: Yes

### Technical

1. Compact & portable design for restricted under-bonnet clearances
2. Positive venting system delivers unbroken, continual fluid flow
3. Height adjusting valve body for maintaining required maximum fluid level
4. On/Off tap for sealing unit during fitment & storage avoiding accidental spillage

### Marketing

1. An essential companion to any one-man brake bleeder
2. Suits all master cylinder reservoirs
3. Enhances existing brake bleeding procedures
4. Additional features & benefits to most opposition brands
5. Performance equal to or better than all known competitor units
