

Ratchet Pump

The ultimate accessory for your air ratchet

Convert your 3/8" drive air ratchet into a fluid transfer pump

Quickly fill or drain fluids:

- Brake fluid
- Power steering fluid
- Transmission fluid
- Engine oil
- Coolant
- Gear oils

Features

- Easily engages with all 3/8" dr. air ratchets
- Pump securely attaches to air ratchet
- Retaining bracket holds pump during use for one-hand operation

Quick couple fittings allow:

- Easy hose changes
- No drip storage of pump
- Pump primed for next use

Ratchet Pump Kit Contents

- Ratchet pump
- 500mm / 19" x 8mm / 5/16" id suction hose
- 800mm / 31" x 6mm / 1/4" id suction straw
- 1m / 39" x 8mm / 5/16" id discharge hose
- Blow mold case

Air Ratchet not included.

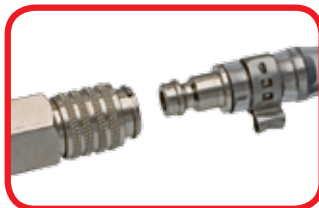

Caution

- Not approved or intended for use with flammable fluids.
- Ratchet pump must be purged of fluids if used for refilling to avoid cross-contamination.
- Do not use with fluids containing particle residue as they could impair pump operation.
